What The Lodge at North Shore Gives You.

Exclusivity

The Lodge at North Shore is a professionally decorated, one-of-a-kind home with an unobstructed view of some of the most gorgeous lakefront available at Deep Creek Lake.

Smart Ownership

Live luxuriously for only the cost of the time you actually spend at your vacation home. Not a timeshare which merely offers pre-paid vacation time, fractional ownership is a proven concept at Deep Creek Lake. It provides actual "bricks and mortar" ownership that can be bought and sold like any other real estate.

Hassle-free Ownership

The Lodge at North Shore is professionally managed year-round, making your stays carefree and setting your mind at ease when you're not in residence.

Generous Usage Plan

Enjoy your home a minimum of 7 weeks throughout the year – far more time than average owners typically spend at their vacation homes. There are no pre-set vacation times. Our fair and equitable reservations system allows you the flexibility you need in scheduling your family's visits to your exclusive home.
